

May 31, 2023 – Brazos G RWPG

Summary of Actions

The Brazos G Regional Water Planning Group held a meeting on Wednesday, May 31, 2023. The planning group took the following actions:

Voting member Vacancy for Electric Generating Utilities Representative

BE IT HEREBY RESOLVED that the Brazos G Regional Water Planning Group confirms the appointment of Ryan Bayle representing Electric Generating Utilities Interests to serve as a voting member of the Brazos G Regional Water Planning Group.

Consistency Waiver Request for the City of Liberty Hill Direct Potable Reuse Project

The Brazos G RWPG supports the consistency waiver request for the City of Liberty Hill's Direct Potable Reuse Project in an amount not to exceed 2,684 ac-ft/yr, conditional upon additional documentation being provided by the City to the Brazos G RWPG and Texas Water Development Board indicating ownership or the legal extension of the right to use the 2,684 ac-ft/yr. It is noted that the requested documentation must be received by the Brazos G RWPG prior to the Chair signing and submitting the letter to TWDB.

Consistency Waiver Request for the City of Liberty Hill Edwards Aquifer Well Field Project

The Brazos G Regional Water Planning Group opposes the Texas Water Development Board granting the City of Liberty Hill a waiver of consistency for developing the Edwards Aquifer Wells Project based upon the current water plan and authorizes the RWPG technical consultant to work with the Brazos G Administrator to prepare and submit a letter of opposition signed by the Brazos G Chairman, to the Texas Water Development Board.
