

August 1, 2024 – Regional Water Planning Group Meeting

Summary of Action

The Brazos G RWPG held a meeting on Thursday, August 1, 2024. The planning group took the following action:

Authorization to pursue the amendment process for the City of Georgetown's groundwater project to amend the 2021 Plan.

Authorize the Brazos G Regional Water Planning Group to take action to pursue the amendment request by the City of Georgetown. Approve the technical consultant to prepare amendment materials in accordance with Texas Water Development Board rules and guidance, submit a request for a "minor amendment determination" to the TWDB EA, and work with TWDB staff on proposed amendment.
